

As clearly stated in Amendment "C" at page 13, the explanatory illustrations A, B, C, D were submitted with the amendment and relate to the remarks therein.

There was no new drawing submission whatever and no change to any application drawing figure.

In response to any requirement for labeling at the top of the explanatory illustrations sheets, attached hereto are copies of "Figures A-D" with the heading EXPLANATORY ILLUSTRATIONS, together with Applicants' name and application Serial No.

Applicants urge that the Notice of Non-Compliant Amendment is inappropriate and Applicants have properly responded to the Office Action of August 23, 2005, and that Amendment "C" therefore be entered, and Action taken thereon.

It is submitted that this paper is fully responsive to the PTO February 21, 2006 Notice.

Respectfully submitted,
